

## **10 IMPORTANT REASONS TO GET STARTED WITH A VALUE PACK:**

1. It allows you to earn the Value Pack Fast Start Bonus (\$60, \$20, \$20, \$20, \$20). This gives you the strongest possible **POSTURE** for building your business. Your commission is accelerated!

2. It creates you into an automatic **DIRECTOR** with all the benefits: 5 levels of earnings from the Fast Start Bonus, 7 levels of pay and product rebate. That means more money, more quickly!

3. It allows you to share the product with other family members, as well as have extra bottles of GoChi on hand to develop an immediate customer base. Facts tell, stories sell.  
More Customers = More Testimonials = Greater **BELIEF**.

4. It focuses on the product as your most important tool, for sampling. This is a **SIMPLE** way to lead to the business.  
Happy Customers = Business Builders and Referrals.

5. It is your start-up **INVESTMENT** used for Customer and Marketing Executive development. You can immediately hand them a case(s) & replace when you enroll them online (by shipping to yourself).

6. It automatically raises the bar for you to a higher level of **COMMITMENT** as a leader, separating yourself from those that are only casually committed. Casually committed people generally earn "hobby" incomes. The leaders who seriously commit create maximum income which generates true financial freedom... and much more.  
Commitment = Financial Freedom

7. It creates **DUPLICATION**. This sets the standard by which your new Marketing Executives will be expected to come into the business.  
Duplication = Success

8. It is a simple way to put you on "the fast track" for success.  
It is easier to build **FAST** than slow!

9. It allows you to create 5 times the **VOLUME** growth in your FreeLife business given the same amount of time and effort.  
Volume = Results!

10. It shows that you are serious about building your business and leading by example. A **LEADER** earns and deserves the Ambassador Makers top level of support!
